PREFACE: My full apologies for bombarding everyone with another Newsletter, but the importance of these attached videos, in conjunction to our last Newsletter, seemed to somehow tie up a lot of loose ends.

JUST IN: [Nobel prizewinner says COVID 19 is manmade](#) (You might need to cut and paste this)

In your government forced lockdown, please take time to view these at your leisure. I think when you see them in the order that they are presented, you will start to get a better idea of what is really going on.

I don't agree with every word she has to say – but what is being brought up on these videos are some very good points to think about.

I have nothing further to add. The videos will speak for themselves. Please give them time to download.

Please check them out before they are taken down by the forces that be. Also, read the comments; very revealing indeed. We are not alone.

I want to thank *Doc Dolan* for sending me this very timely information. On with the show!

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
