PREFACE: This Newsletter is way off-the-wall, but fun to think about, just the same.

ON WITH THE SHOW!

Having studied political science and receiving a BA degree in that field, I have always enjoyed trying to predict what might happen on any given political situation.

Bear in mind I predicted that Trump would win in 2016 – and took a real ration of abuse from all my Liberal acquaintances. And I am still taking it from them to this very day!

With that in mind, I'd like to run a Feasible Prediction for what the Democrats might try to pull. Please remember, in Chicago, the Democrats do not have elections for public office; they have auctions.

Also, remember that JFK (a Democrat) called Mayor Daley (a Democrat) and asked for 100,000 *extra* votes to beat Richard Nixon in 1960. JFK won.

Four Illinois Governors have served prison sentences:

<u>Rod Blagojevich</u>	2002 – 2009	Corruption
<u>George Ryan</u>	1999-2003	Racketeering
<u>Dan Walker</u>	1973-1977	Bank Fraud
<u>Otto Kerner Jr.</u>	1961-1968	Bribery

Bear with me on this:

Biden is in trouble. The Democrats know he cannot beat Trump in an outright, face-to-face election.

Biden agrees to pick Michelle Obama as his running mate – but before the Democratic Convention – Biden is sidetracked – and “convinced” to step out of the race.

Michelle Obama then take command – and picks Barack as her VP.

By acclamation, at the Democratic National Convention, and the Democratic Ticket is Michelle and Barack.

IF, Michelle and Barack win – which is a fairly valid *assumption* – Michelle gets sworn in as President.

Shortly thereafter, Michelle resigns from the presidency – and APPOINTS Barack as President.

The reason I say appoints, is because the 22nd Amendment (shown below) only mentions ELECTED with regard to presidential terms (2 elected terms, or 10 years - NOT 8 years).

22nd AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES OF AMERICA.

No person shall be *elected* to the office of the President more than twice, and no person who has held the office of President, or acted as President, for more than two years of a term to which some other person was *elected* President shall be *elected* to the office of President more than once. But this Article

shall not apply to any person holding the office of President when this Article was proposed by Congress, and shall not prevent any person who may be holding the office of President, or acting as President, during the term within which this Article becomes operative from holding the office of President or acting as President during the remainder of such term.

The word APPOINT does not enter into the equation.

IF, the Democrats win, in November – and they retain the House, Nancy Pelosi will most likely STILL be the Speaker.

Ultimately, the Supreme Court would have to decide if Barack Obama could *reign* as President.

If the Supreme Court says Obama can stay – as APPOINTED – then he will remain as President.

If the Supreme Court says he is not eligible, then the next in line?

Nancy Pelosi will then be the President of the United States.

The next day – the Second American Revolution will begin.

NOW consider the following:

China intentionally developed the Wuhan Virus to attack America. The virus was to be transferred by Chinese citizens (Patriotic Tourist – as the CCP affectionately calls ALL Chinese tourists) travelling to America – but Trump stopped all flights from China, coming to the USA.

This move was not expected by China, nor anyone else. It had never been done before.

But Trump had the gut-level feeling to do it. He saved potentially millions of lives.

The Democrats *immediately* called Trump a racist and tried to shame him into revoking his China ban.

It did not work.

The Democrats, Biden with Joe Biden Jr., in conjunction with China, now realize that their attack on the American people has failed – because of the Trump Travel Ban – and revert to trying to win the

Election in November – by employing the scenario described above.

Remember – the Democrats – with their Trump Derangement Syndrome (TDS) Mentality, would do virtually *anything* to get Trump out of office.

Trump is now being extremely harsh on China.

If China can help the Democrats defeat Trump in November – then the Democrats will lift all sanctions on China, Joe Biden Jr. will be off the hook, and Joe Biden – who was “gracious enough” to step aside for the sake of America and the Democratic Party – would be secretly “endowed” with one billion dollars – in a secure account that no one would be able to trace.

Why no trace is available? Because the money would be held in a bank – in China!

Of course, this scenario is so far out in left field that this would never happen.

Or could it?

All you need is a bevy of crooked lawyers and this could *theoretically* come to pass.

Just something to occupy your mind while you are still locked down in America!

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan.
