A Few Thoughts on Memorial Day

Preface: First off, we want to thank all our readers and contributors for all their help and support. It is heartening to know there are so many Sovereign Individuals still out there.

A Look At Evil Personified

1.

But first, a quick rundown. Please bear in mind that George Soros is a donor to many Progressive and Democratic Candidates. That means that all recipients of his financial support believe in what he is saying and doing – and what he has done in the past.

With that in mind, please watch this *60 Minutes* Interview (13.27 minute duration) with the [Personification of Evil](#) – George Soros – in his own words.

If that does not make you wonder what the Democrats and Progressives are trying to do, then you are beyond redemption.

James Madison once said, "A popular Government, without popular information, or the means of acquiring it, is but a Prologue to a Farce or a Tragedy; or, perhaps both."

With the above quote in mind, please be aware that George Soros has been trying to get this *60 Minutes* Interview banned from being aired. He has succeeded on a number of occasions – but it keeps popping up from time to time.

WE MUST DESTROY THE MIDDLE CLASS!

Many people operate under the misguided assumption that it is the “poor” people who start, and lead revolutions. Nothing could be further from the truth.

The following video, Narrated by Richard Bachert (United States Military Veteran), spells this out in very concise terms. It is of the utmost importance that you take time to view – and *listen* – to what is being said.

The Future of America depends on the Survival of the Middle Class. Once the Middle Class is eradicated, all hope of the *America Dream* will be vanquished – forever.

For there will be no other place in the World in which to escape.

HONG KONG – TAIWAN – THE WORLD

It goes without saying that China unleashed a Biological War Virus – on the Entire World.

China then tried to blame America and deflect all responsibility elsewhere – a tactic that has proven to be very effective in the minds of Liberal “thinking” adherents, along with the World Media.

In the meantime, China has made very ominous moves toward Hong Kong – while the rest of the World paid full attention to the Wuhan Virus.

President Donald Trump has promised a strong response to this biological provocation to War.

It is with this in mind that we suggest the following action be taken *Immediately*.

1. President Trump should hold a White House Announcement, proclaiming that America fully supports the Immediate Independence of a Free Hong Kong – and declaring itself a Free Sovereign Nation.

2. President Trump should also announce America's full support in declaring Taiwan – a Free Sovereign Nation.
3. President Trump should demand that both New Countries be fully recognized by the United Nations, with equal status to all other Sovereign Nations in its Assembly.
4. President Trump should make clear that if these two demands are not *Immediately* met, that the United States would withdraw its membership from the United Nations, (including ALL financial support), and demand that it vacate its real estate premises, in New York, and move to somewhere else outside of American soil.

This is not a conspiracy theory.

MEMORIAL DAY

The video below explains the origins and the meaning of what Memorial Day is all about. Many people confuse it with Veteran's Day. They are not the same.

When time permits, please take a look.

[History of Memorial Day](#)

It is with Solemn Reverence that We the People pause on this Memorial Day to give Sincere Thanks to all the Men and Woman who gave up their Lives in the Hope that the World remains Free from those who wish to control us under the Yoke of Worldwide Tyranny.

May those Honorable Men and Women not have died in vain! HAPPY MEMORIAL DAY!

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
