PREFACE: From the outset, we here at
LawrenceKlepinger.com have dedicated ourselves to
bring our readers the news that the mainstream media
either censors or simply chooses not to print.

Today's Newsletter is bound to generate some heated
response, but that is the chance you have to take
when telling the Truth, the Whole Truth, and Nothing
but the Truth, so help you God.

As a final comment, I would, once again, like to
thank all our readers/friends for their continued
support, and the forwarding of many of the articles/
videos in this current Newsletter. Without your help

and consideration, we would not be able to do our job.

Also, as of today, this Newsletter is being viewed by over 20 countries throughout the world. It is amazing how quickly our Website has taken off.

Thanks again to everybody!

ON WITH THE SHOW!

ALL MEN LOSE

All men lose
When freedom fails,

And good men rot
In filthy jails.

And those who cried,
Appease! Appease!

Are hanged by those
They sought to please.

This poem was forwarded to me by a reader/friend who has dedicated his life to the freedom and betterment of all mankind. I think you will see the significance of this poem in the following articles and videos.

Many readers have already seen some of these videos. If so, just skip to the next one.

OK, I admit that you have probably already seen most of these articles/videos – and that is fine.

ALL LIVES MATTER

Black Lives Matter is designed to divide America – and that is the basis of all military operations – and believe me, this IS a military operation.

All Lives Matter is designed to Unite All of America. And therein lies the difference – and the reason these following videos are not being aired by the Mass Media.

The following videos were sent by a reader/friend who has worked tirelessly to try to bring both sides of the coin, with relation to the Black/White Divide, that Antifa is so desperately trying to propagate.

These videos are graphic, in both word and visual content, so be forewarned. All four are Black on White violent attacks – that the media refuses to air:

And now, for the kicker, with Hillary Clinton, narrating. Please give this a look-see, be forewarned, it is very troubling to watch.

The following video was sent to me by a reader/friend in Australia who is also very worried as to what is going on in America. I think you will find this one very interesting, indeed. Personally, I could not believe it.

Please let me know if you have seen this on main stream media. The following video was sent to me by a reader/friend in Australia who is also very worried as to what is going on in America. I think you will find this one very interesting, indeed. Personally, I could not believe it.

[President Trump's Statement](#)

In closing, please remember the following pieces of history.

THE BIG LIE

The Big Lie, if told often enough begins to be believed.

World War II was the result of the Big Lie.

In Europe, considered the Apex of Liberal/Social Thought at that time, Germany was totally duped by Hitler and the Nazis.

Germany was considered the center of rational thought, leader in science, and a philosophical juggernaut of the *Entire World*.

Yet, this immensely “sophisticated” nation was totally taken in by the Big Lie – the type of thing that is happening in America – as I write.

Neville Chamberlain, the Prime Minister of England at the time, was also duped into thinking that there was nothing to fear in Adolf Hitler.

With regard to history, how stupid, foolish and totally naïve America appears to the World.

If America continues down this path of *appeasement* and national cowardice – then America will have only itself to blame.

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
