PRE-FOURTH OF JULY NEWSLETTER

Note: For comments, suggestions or tips, please contact [Larry](#). To view [past newsletters](#) or [homepage](#).

PREFACE: As you all are very aware of, the news is now happening on an hourly basis. Recently, by the time we get everything laid out – it is already old news.

However, we want to thank the *many* readers who have been sending in a lot of stuff for us to consider writing about.

We thank you all and encourage you to keep sending us anything you think might be of use in the way of pertinent news items.

Please don't get mad if we don't use one of your articles in our Newsletters. It is just that so much is happening right now, that a lot of stuff we get sent to us has already been hashed out over the Media. We don't want to bore our readers with the same stuff.

We hope you enjoy what we have to offer in this Pre-Fourth of July Edition. We wanted to keep it short and sweet. We know how busy everybody is this time of the year.

ON WITH THE SHOW!

With reference to our last Newsletter, regarding the Three Gorges Dam.

A number of readers questioned if that information was actually true. One of our readers was kind enough to supply us with authentic verification – for which we thank him very much.

CHINA'S INTENTIONAL DEFLECTION

The concept of deflection is a hallmark of Communism. The lies and innuendo that the Chinese Communists rely on is legendary.

Most Chinese students nowadays are not even aware of the [Tiananmen Square Massacre \(1989\)](#).

Imagine, what a gargantuan effort that was to pull off. They completely suppressed that information from their entire population of 1.5 BILLION people.

So the *Wuhan Virus deflection* should surprise no one.

While the naïve world is worrying about whether to wear a mask *again*, China's leader is quietly solidifying his position – and is going to be announcing, in the coming weeks, that he will be the *Red Chinese Leader of the Communist Party – for life!*

Now would it freak anyone out that Putin – of Communist Russia – is planning on doing the exact same thing – *Russian Leader for Life*.

While America is still reeling from the intentional infection of the biological weapon *purposely* released by China – months before the American Election – is NOT an accident.

Does this not strike anyone as extremely coincidental?

In China, the Chinese Communist Party, is quietly murdering/maiming/imprisoning *all* religious believers – not just the Uighur Muslims.

The only religion that Communism will tolerate is the religion of Complete Communist Governmental Control. Nothing less, no matter what.

Yet, the Main Stream Media is totally SILENT on this Political Deflection.

Why? Because, Christians do not fit into the Main Stream/Democrat Narrative.

Christians? What Christians?

The Main Stream Media is constantly lamenting the “poor” Muslims.

But they mention not one word about the Christians being rounded up – while the rest of the world is still sucking on the Wuhan Virus Narrative!

But, to be fair to the Muslims in China, this article was sent to me by the same individual who sent me the original information regarding the Three Gorges Dam.

[Uyghurs For Sale](#)

So, while America is slipping and sliding in the conjured up diversions of the desecration of historical statues, the Socialist terrorists, CHAZ, rampant violence ruining our **Democratic** RULED cities, not to mention SKY-HIGH UNEMPLOYMENT due to a foolish lockdown rule, and the Stock Market mini-crash, China and Russia are preparing for the future – and possibly World War III.

THE INSURGENCY

As stated above, this is a Pre-Fourth of July Newsletter, so I will cut this one short.

I will leave you with a video, forwarded to me by another Newsletter reader, that you might find somewhat interesting. Whether you agree with it, at least give it some thought.

As a Sovereign Individual, it is up to you to keep yourself informed – and up to date – on news that really matters.

And, as a side note, many of my friends and cohorts, mostly ill-informed Liberals, were chiding me as a “Conspiracy Theorist” of the “Highest Order.”

Recently, I have not heard a word from them in that regard. In truth, I consider it an honor to be so recognized.

It means that I was just that much farther ahead of them than they thought!

[Covid 911](#)

Once again, thank you all for your kind comments and information. It is very much appreciated. Please keep them coming. The idea of this Newsletter is to bring news to you that the Main Stream Media refuses to broadcast.

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
