## **FOURTH OF JULY SPECIAL EDITION**

**Note: For comments, suggestions or tips, please contact [Larry](#). To view past [newsletters](#) or [homepage](#).**

**PREFACE:** We had a teleconference yesterday and decided that, since so much is happening so fast, that we would go ahead and publish this edition a little early.

We were astounded at the response that we received, regarding our last two Newsletters.

All of us here want to thank our well-informed readers for their kind comments and continued support.

With that in mind, this special edition will mostly consist of articles and videos that have been forwarded to us by everyone – literally from around the globe.

Also, we want to welcome our new readers from Taiwan, Australia, and Poland. We are very humbled that more and more people are receiving our Newsletter.

Hopefully, we can fill in some of the gaps that the Mass Media chooses to purposely omit, delete or just plain ignore.

Our heartfelt thanks goes out to *all our readers* who have sent us so much information.

We absolutely appreciate your time and effort.

**WARNING:** Some of these videos are long but *please* do not let that stop you from watching them.

We have taken great care – thanks to our faithful subscribers – to make sure these are true in their content and information.

We have also kept our usual commentary to a minimum for a reason.

These videos are vital to our future. Again, I urge you to take your time to view them all.

I guarantee that you will be shocked beyond belief.

*The best defense against Tyranny is a well-informed AND a well-armed Populace!*

Is this the next Biological Weapon that China has in

Is it a coincidence that all this is happening just

China – but are you starting to notice a pattern here?

You be the judge on that one:

THE NEXT SWINE FLU - ???????

## CONCLUSION

It is our humble opinion that the Chinese Communist Government, through its *intentional* most recent biological attack on the World, did this with the full knowledge of the World Health Organization, in conjunction with the Chinese Communist Party (CCP), and tacitly backed by the Worldwide Social Media Octopus Network.

The reason?

To attack Hong Kong – and forcibly place it under complete control of Mainland China, while the rest of the World was purposely *diverted* with wearing masks, social distancing, FORCED Lockdowns, and other idiotic personal control methods.

This was successfully done – with no interference whatsoever – from any of the “Democratic” Nations in the Free World.

It was an astoundingly successful – *bloodless* – invasion by the Chinese Communist Military.

America, the United Kingdom and the rest of the *Free* World have embarked on an apparent appeasement approach to China – and has, up to this point – done absolutely nothing to stop this unprecedented Communist Military Aggression – initiated by the Wuhan Virus, as its first volley of non-weaponized, modern biological warfare.

The non-action by the *free* democracies of the world has left Communist China, now more emboldened than ever, to embark on its next Military Target.

**Taiwan** is now in their Military Cross-hairs. Look for something to happen – before the November US Election.

If successful, and if the free democracies do not come to the *full Military Aid of Taiwan*, then it too, will be “re-unified” with Mainland China.

And the next target?

**Okinawa, Japan!**

If you think this is crazy, then you have not been paying attention. China has stated – on any number of occasions – that Okinawa *belongs to China*, not Japan.

If you do not believe me, please simply go to the Internet and see for yourself.

## **A COMMUNIST WORLDWIDE MOVEMENT**

Mind you, this is an extension of the Total Communist Worldwide Movement to destroy Western Civilization – and replace it with a One World Order – with *unelected* “elites” of the Global World Order in the position of *Unmitigated Power* concentrated in the hands of a secret, select few – to Control the Entire World – under the aegis, and brute force, of the Chinese Communist Military.

## **CONSPIRACY THEORISTS!**

Of course, we will be called “Conspiracy Theorists.”

However we are not afraid of being called names: Racist, Bigoted, Homophobes, Islam haters, right-wing nut jobs, and anything else they can conjure up.

We have not succumbed to the replacement of our backbone – with a chicken bone.

We don't care. Our original goal, when establishing this Website, was to bring as much news and information to those Freedom Loving Sovereign Individuals as we possibly can.

The Mass Media has relinquished their position as unbiased reporters of honest news.

The Mass Media of today is nothing but a Lying Machine, for the New World Order Status Quo.

## **A SALUTE TO OUR VIETNAM VETERANS**

Yes, in truth, we Salute ALL Military Veterans, but we want to make a special salute to the Vietnam Veterans, who were so viciously attacked, scorned, and belittled, upon coming back.

Notice, I did not say coming back *home*.

No other Veterans, in the history of America, were treated worse.

But, in retrospect, the great adoration that our American Veterans are receiving today – when they return *home* – can be directly attributed to how the Vietnam Veterans were treated upon their return.

America has made it a point never to treat our Men and Women in Military Uniform that way ever again.

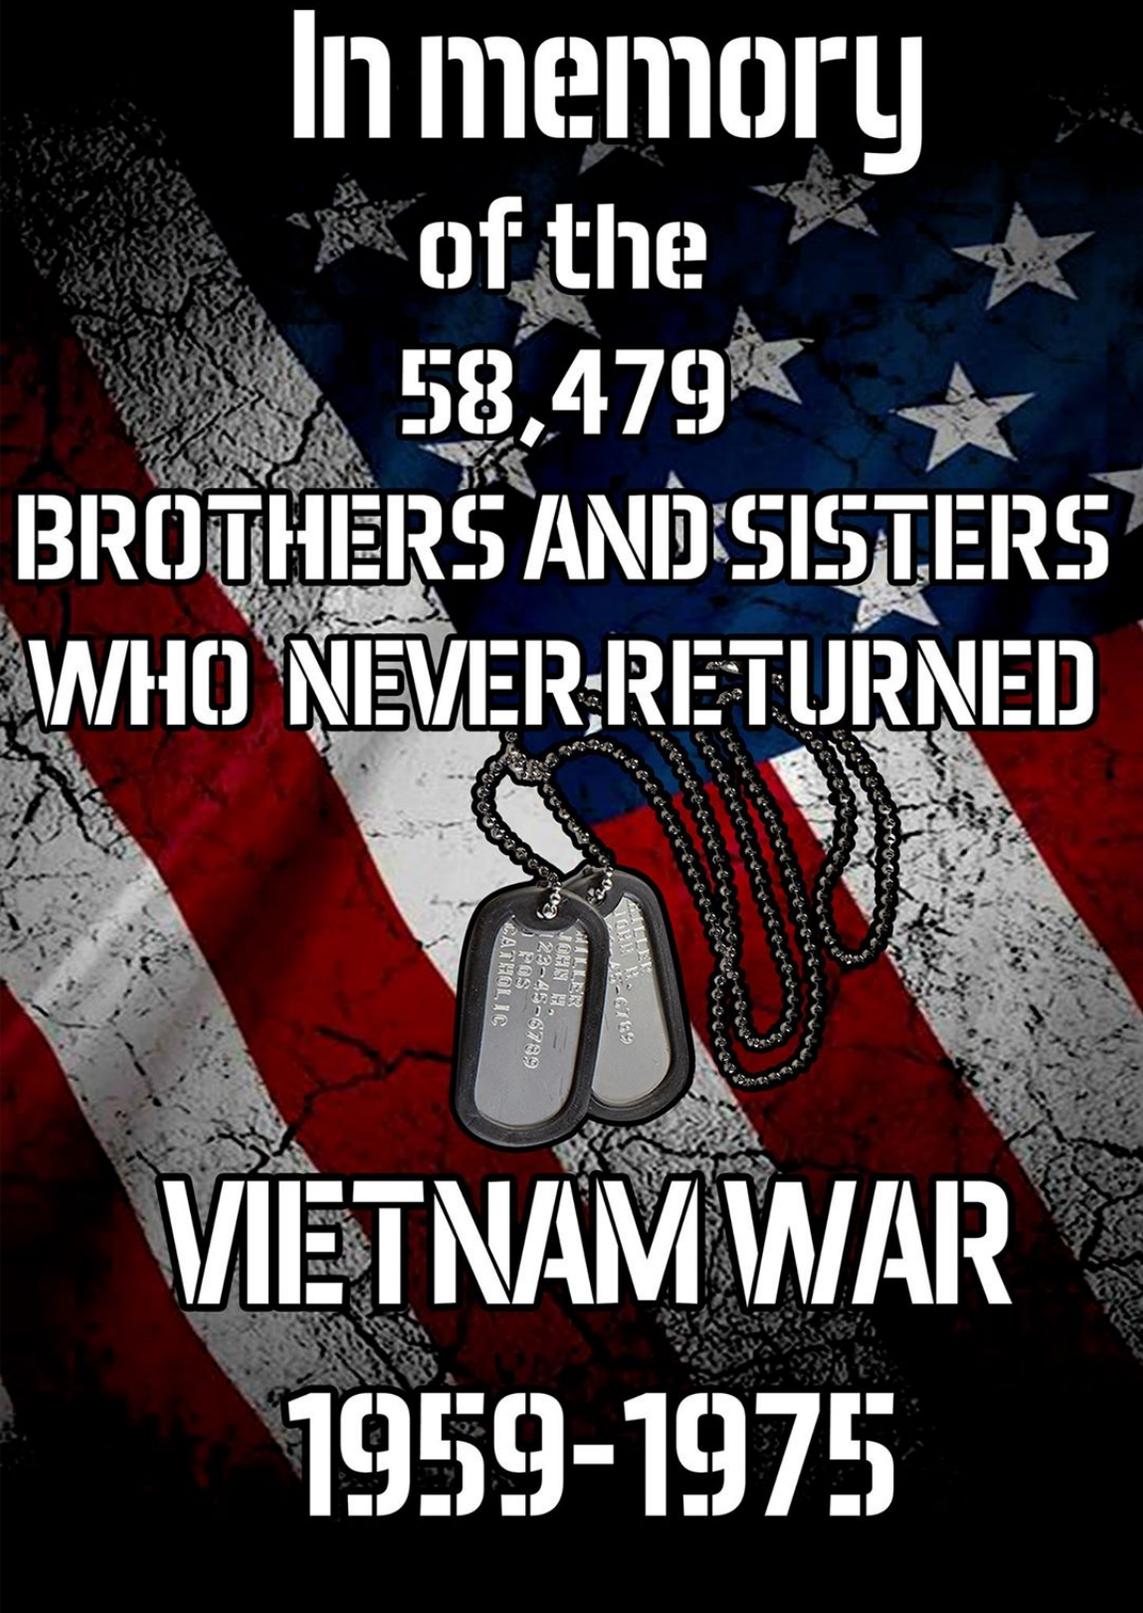

I have a number of Vietnam Veteran Friends, who still hold a grudge, and are understandably envious, of how these current day Veterans are being praised, welcomed home with open arms, and greeted with love and respect.

But that, my Vietnam Brothers and Sisters, is ironically the Legacy of we Vietnam Veterans.

A Legacy that we should all be proud of!

Hold no longer a grudge for the way we were treated.

Instead, be proud of the fact that we were the reason why our American Military is once again – Honored and Respected!

HAPPY FOURTH OF JULY EVERYBODY!

LET FREEDOM RING – FOREVER!

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
