PREFACE: We are just as confused as everybody else with regard to the Wuhan Biochemical Attack and the possibility of China actually taking a huge Geopolitical Gamble – before the US Elections in November.

With that caveat in mind, we have decided to simply throw out some ideas and articles that seem to have a thread of connection between them. However, in truth, we have not been able to tie it all together – *yet*.

IS CHINA “ALL-IN” FOR THE US ELECTION?

There seems to be a plethora of information suddenly emerging out of China – and the Asian vicinity – that is getting a lot of people on edge.

In a previous [Newsletter](#) we reported the shoddy construction of the Three Gorges Dam, noting that it could collapse at any time.

Coupled with that, it has now been reported that China is having a very difficult time feeding its massive population.

Also, in a recent Facebook Post by a friend and Newsletter reader, is the fact that China has a very serious ground water problem.

On top of that, the arable land in China is dwindling at a rapid rate and now has China scouring the Globe for rice to feed its starving millions.

So That is the Framework

It is always the work of the shrewd politician to *deflect* (Sun-Tzu) to the International Scene when the Domestic Scene is in disarray.

It seems that President Xi is in more trouble than the Chinese Communist Party (CCP) are actually letting on.

Please bear with us, because this Newsletter is going to try to lay out a number of items – that seem to us to be connected in some way or another.

[COULD CHINA INVADE TAIWAN?](#)

Imagine for a moment, if China were to invade Taiwan – before the US Presidential Election in November.

What would President Trump be forced to do?

Of course, he would have to come to the aid of Taiwan – or risk losing the respect of the world.

Does China really want a war with Taiwan – AND the USA?

I honestly don't think so. But what a terrific time to go ALL-IN and throw caution to the wind!

America is in total chaos now. First, The Wuhan Virus, that has completely disrupted the World Economy.

America's Economy is still *very* fragile, regardless of what the Administration is saying to the contrary.

If America were to come to the aid of Taiwan, in order to adhere to its Security Obligations, that would put a tremendous bind on America at a very critical time.

However, if America would not come to Taiwan's aid, then Japan would be next on the docket for Chinese Expansionist Dreams.

Are the Democrats in with the Chinese?

I know this sounds ridiculous to even mention this concept – but that is what we are here for – to throw out ideas that the Main Stream Media does not have the courage to actually address – and that includes ALL Media Outlets.

Joe Biden's Son

Remember the scandal with Joe Biden's son, and the hundreds of millions of dollars he got for doing nothing?

What happened to that story? It is completely gone from the reporting cycle.

Then, we have a story about Gavin Newsom, sent in by another devoted reader/friend.

I have to admit, this story looked like fake news, but it *seems* to have been a valid story – *but it completely disappeared, too.*

Check this article out and see what you think. Did Gavin Newsom really do this? If it is true, why was this story quashed so quickly?

[Gavin Newsom's Millions Involving the Chinese?](#)

[CHINA SUBVERSION?](#)

And now, this article surfaces and for some reason it does not get the Media Coverage that it should.

I think you are starting to see a pattern here.

So far, the culprits seem to all be *Democrats*.

TRUMP DERANGEMENT SYNDROME?

In truth, I have found it extremely hard to believe that the Democrats would go this far to get rid of President Trump.

But it is all starting to make sense.

China is in secret turmoil. The Democrats will apparently do anything to defeat Trump in November.

Even commit treason – they hate him *that* much.

But let's look a little further.

AOC, Bernie Sanders and Joe Biden have now *teamed up* to go against Trump in an ALL-IN style, coordinated political attack.

The Democrats are now trying to fundamentally change America into a Communist form of government, under the guise of Socialism.

I know, we are treading on very thin ice here (Joe McCarthy stuff) but let's just pursue this a little further.

It has now been disclosed that the World Health Organization admitted that China did *not* tell them that COVID-19 was transmittable from human to human.

It has been disclosed that China has pumped *hundreds of millions of dollars into WHO*, which lied about the virus in the first place, and now Joe Biden says, if elected, his first move would be to rejoin the World Health Organization – knowing fair well that it is a corrupt, criminal organization.

President Trump just officially withdrew all American support from WHO.

Look at another strange “coincidence.”

Los Angeles, Detroit, Portland, Chicago, Baltimore and Washington, DC are all controlled by Democrats!

That simply cannot be a *coincidence*.

This is a well-planned, **SECOND COUP ATTEMPT** to get rid of a duly elected President of the United States.

The **DEMOCRATS** have gone completely insane with their hatred of Trump that they are purposely **ALLOWING** these cities – all controlled by the **DEMOCRATIC MACHINE** – to completely devolve into chaos, rioting – and now murder.

A CONSPIRACY – PLAIN AND SIMPLE

The facts could not be any more evident. But yet, the **GOP** has not come out and said anything even close to this.

Again, the **GOP** is sitting on its thumbs, and pretending that things are just fine.

Why are they afraid to come out and say that the Communist Chinese are in accordance with the Democratic Party – to overthrow President Trump in November, then move to implement a soft form of Communism, under the aegis of Socialism.

Is it again: Follow the Money?

THE MAXWELL DIVERSION

Now with BLM, ANTIFA, COVID-19, riots, looting, murder and mayhem comes yet another *diversion* – THE SEX SCANDAL of the century.

Why now?

Ms. Maxwell was in the USA for months! But now, all of a sudden, she is arrested?

Is this yet another diversion?

What kind of people do you think will be implicated, if Ms. Maxwell actually does testify – which I still predict will NOT happen.

The vast majority of the people who have been mentioned – are DEMOCRATS.

Why was Harvey Weinstein so quickly erased from the Mass Media scene?

Yes, we all know that Jeffery Epstein committed “suicide.” If you honestly believe that then you are too far gone to save.

**MOST IMPORTANT INTERVIEW WE HAVE
EVER HEARD – PLEASE, PLEASE LISTEN!**

I received this exceptional interview, from a reader/
friend (past Japanese student) who has special
contacts with regard to Hong Kong and also
Communist China.

This is the *FIRST TIME* this information been put
out for the public by the Polish Broadcasting Media!

It is a matter of life and death that you listen to this
Riveting Interview by Elmer Yuen!

PLEASE, take time to listen to this interview.

If this does not help to tie up, in your mind, what is
really going on, then I give up.

[HONG KONG/PRC/CATHOLIC CHURCH/USA](#)

That is it for now. Take care, stay safe and keep
thinking positive.

Until next time, Sayonara from Kobe, Japan!
