**EMERGENCY CHINA UPDATE /  
MANY ARTICLES/VIDEOS OF VERY  
DISTURBING DEVELOPMENTS**

**PREFACE:** As most readers know, my wife and I spent a year teaching in the PRC (People's Republic of China).

What we witnessed shocked us to the core of our moral being. The stories I told to people, upon our return, were met with derision – and disbelief.

I wrote a book entitled, [CHINA HOUSE](#), which received very favorable reviews – but to no avail.

The CCP (Chinese Communist Party), has gotten perverse, so rotten to the core – that they have intentionally released a biological weapon, causing a pandemic that threatens to cripple the World – yet again it is resurging in many parts of America and other countries across the Globe.

I urge every reader to watch and listen to these attached videos, and articles – and try to educate yourself as to what is actually going on – as I type.

The carnage going on in America is not a coincidence. It is no accident.

It all has a reason.

And the real reason is the coming implosion of the Chinese Communist Party – and that of the People's Republic of China.

Hong Kong and Taiwan are pawns in this game of power retention – however, it appears that President Xi is losing his grip on the whole Chinese Communist System.

And instead of simply admitting defeat, he is determined to save face – by taking the Whole World with him, if need be.

## **ON WITH THE SHOW**

As with any Status Quo, their first priority is to gain power. Their second priority is to maintain that power – at all costs.

A quick view into the mounting pressure on the Three Gorges Dam, which we introduced to our readers in a previous Newsletter, is meant to show the depth of the impending crisis.

Bear in mind the corruption and the deceit is a pandemic in, and of itself, in Communist China.

I believe you will start to see a pattern unfolding here.

## **[THREE GORGES DAM NEAR COLLAPSE](#)**

Let's move on to the tallest building in China, the Shangahi Tower – and its, just disclosed – massive water leaks.

Please, make sure to scroll down and see ALL the videos pertaining to this catastrophe in the making. Also, take note of the many articles in the sidebar.

## [SHANGAHI TOWER WATER LEAKS](#)

Now we are starting to see the real reason the Wuhan Virus, Biological Weapon was released onto the World Stage.

## [BEIJING COVER-UP DISCLOSED](#)

And now we see the Pope getting involved in this bribery and corruption

## [POPE AND THE COVER-UP](#)

The Chinese are masters at deflection. The classic way to divert attention from internal turmoil, is to find a culprit in the international arena, and turn all the nation's nationalistic pride in that directing – thus, diverting attention from the real problems at the core of the Chinese Communist Party's existence.

## [US/CHINA WAR PREPARATIONS?](#)

How far does China go in maintaining its power over its people?

Granted, this is an old video. But that makes the point even more vivid. This type of wanton murder has been going on for *decades* in China – and the Whole World has turned a totally blind eye.

The Mass Media has blood on its hands for their silent conspiracy in this Worldwide Cover-up!

It is time for the World to stand up and ban the Chinese Communist Party from the face of the Earth.

This is the time for concrete action. Any country that still wishes to side with the Chinese Communists should also be banished from the World Order.

And that includes the Communists and Socialists that are now wreaking havoc in every Democratic controlled Big City in America.

## IN CONCLUSION

Once again, I want to thank the readers of this Newsletter for forwarding me such vital information.

This is news you simply will *not* see via the Mass Media.

Please take time to view and listen to all these vital informational videos.

America – and the World – is sitting precariously on the Brink of Total Disaster.

Think long and hard about how you cast your vote in November. The fate of the World could very well depend on the action taken on November 3<sup>rd</sup>.

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
