NO MORE DECEPTIONS

For comments, suggestions or tips, please contact [Larry](#). To view [past newsletters](#) or [homepage](#).

PREFACE: We had another teleconference last night and this morning and have decided that we are no longer going to play the “look over there” game of deception – that even we bought into. Our apologies for being so gullible.

That being said, we will no longer play the Wuhan Virus/COVID-19 Deception Game.

Nor the Mask Deception Game (to wear or not to wear), or another lockdown, – or any other contrivance of political bovine excreta conjured up by the Democrat / Socialist / Communist / ANTIFA / BLM / MSM / Effete Elite group of anti-American thugs that are trying to destroy America.

We have had it!

We feel it has all been designed, orchestrated and run by people who would do *anything* to make sure that Donald Trump does not win reelection – pure and simple.

Our total focus, from here to November 3rd will be the reelection of Donald Trump, keeping the Senate majority and taking back the House of Representatives.

If these three goals can be met in November – then we can breathe a deep sigh of relief – for America will have saved itself from total disaster.

ON WITH THE SHOW!

We have noticed that people are becoming more and more disgusted and just plain pissed off at how America has been going these past few months.

The garbage that has been allowed to happen, in Democratic Controlled Cities across the Nation, will come crashing down in very short order.

Trump will move very quickly to protect federal property. He will not budge on this point.

However, all the above miscreants will yell in chorus:

“Martial Law!”

This is simply another deception.

Remember, Sun-Tzu’s comment regarding deception!

Pay it no mind. Focus on November 3rd – and nothing more.

DON’T LOSE FAITH

Americans are not to lose faith at this juncture. A lot of readers have expressed outrage at what has been going on – and are getting a feeling that there is nothing they can do to right the Ship of State.

We here, as Sovereign Individuals, simply do not feel that way.

We designed, organized and funded this Website, LawrenceKlepinger.com, with the following concept in mind.

As the Great Leader of England, during World War II, Winston Churchill once stated:

“Never give in, never, never, never–never, in nothing, great or small, large or petty–never give in except to convictions of honor and good sense.”

Yes, I am well aware of this quote being often stated as:

“We will never give in. Never. Never. Never.”

But that is not the full quote.

It is our desire to bring the truth to our readers – in every instance that we possibly can.

FIRST AND FOREMOST

We, as Sovereign Individuals, *always* think positive.

There is no other alternative.

Have you ever wondered why there is never a motivational speaker who encourages his audience to think *negative*?

It is because most people *naturally think* negative.

We implore you to *think positive!*

This is not the Civil War, World War I, the Great Depression, World War II or the 1960s where JFK, RFK or Martin Luther King were assassinated!

We can all get through this – but we **MUST** work – and work hard.

We “expatriates” living in Japan have banded together to try to do our small part.

Together, we all, as Sovereign Individuals, will win in November.

There simply is no other alternative!

FIRST – SET YOUR MIND TO HELP OUT

Many readers have asked for “specific” concepts and ideas.

So, here are a few to start off with:

1. Make sure your voter registration is up to date.

2. Call everyone you know, the night before election day and remind them to vote.
3. Offer rides to anyone who needs help with transportation.
4. Go to the local GOP office and offer to help do mail-outs or other clerical duties.
5. Be a carrier of information to other offices.
6. Go to GOP meetings and make new contacts.
7. Get peoples' email address and phone number.
8. Go door to door. (This is very hard for people to do but it is one of the best ways to help out).
9. Put up Trump signs in your front yard. Install a camera and catch anybody trying to steal your sign.
10. Offer your house for a "coffee" for any GOP candidate in your district.
11. Speak to your GOP candidate directly on the phone and offer your *personal* support.
12. Offer to do direct cold-calls from their district office.
13. Don't offer a monetary contribution – and then think you did you part. Get physically involved.
14. Hang out an American Flag!
15. ***Send this Newsletter to everyone on your email list.***

These are just 15 quick ideas that you can start with.

The idea is to get *physically involved!*

NOTE: As stated, a number of times before, we have been advised by our attorney (pro bono) that it is best not to list our readers names, as it could potentially put people in trouble.

But we still wish to acknowledge the fact that many articles are sent to us, and used in our Newsletters – and we wanted to say thanks again, just the same.

Our Sovereign Individual readers/contributors are what help to keep us going!

The following information was sent to us by our readers:

[THREE GORGES DAM – FOLLOW-UP](#)

This Three Gorges Dam collapse simulation video is information leaked from the inside of the Chinese Government – sent by a past Japanese student of mine.

Although, it is not in English, you can readily understand the tremendous impact it would have on China if the dam actually gave way.

[BOATLIFT – TRUE AMERICAN SPIRIT](#)

I saved this last submission by another reader – to show what the American Spirit really is. It is an enthralling story of how Americans pulled together during 9/11. I guarantee you have not seen this on the Effete Main Stream Media. It simply does not fit their narrative!

Sovereign Individual Americans will never give in!

That is it for now. Take care, stay safe and keep thinking positive!

Until next time, Sayonara from Kobe, Japan
