PREFACE: In our 038 [Newsletter](#) we said we were going to quit talking about the Wuhan Virus and other extraneous diversions, for a reason.

China has done a masterful job of deflecting attention of the international community with its intentional release of the Wuhan Virus on to the World Stage.

Now I believe we can show you why – and what the Chinese Communist Party (CCP) is really up to.

NOTE: Once again, a big salute to our readers for their kind help and generous contributions to our Newsletter. We really appreciate the constant support.

ON WITH THE SHOW!

[AGNES CHOW – HEROINE OF HONG KONG](#)

This article demonstrates the bravery of this young lady to face down the Communist Chinese. Although she has finally been released, the Chinese Communists have her number. I would not be surprised if she soon goes “missing” as is the case of anyone who openly disagrees with the Thugs of the Chinese Communist Party.

Too bad Americans are not instilled with this kind of courage anymore.

[CHINA’S ORDER TO NOT FIRE FIRST SHOT](#)

This is a very short article – but shows exactly what Sun-Tzu meant when he famously stated that:

“Deception is nine-tenths of the battle.”

Here, the Chinese have given the deceptive order not to shoot first. In this way, if and when a shooting war starts, they can claim their military was “ordered” not to shoot first.

The truth is, China will shoot first, if giving the right opportunity.

Please read this article. It is short and to the point. Make sure to read the Comments – very revealing, to say the least.

[TRUMP WILL ATTACK](#)

If you read this article, you will start to see the complete picture come into very clear focus.

In truth, Trump is not going to attack China – but that is what China is NOW trying to convince the World he *will* do.

This is the epitome of deception. Make sure to read the Comments here, too.

[THE AMERICAN MILITARY TO REORGANIZE](#)

This is a longer article, and requires a little time to read. However, it shows that President Trump is not being “diverted” by the Chinese, nor the Russian Communists.

When time permits, please read it and see what you think.

[ON ANOTHER SUBJECT – EVER HEARD OF CANNON HINNANT?](#)

This is a story that the Main Stream Media is horrified of covering – so they simply ignored it. Please read it and see if you can figure out why they refuse to even cover this tragic and senseless act of violence. It should be self-explanatory.

Only FOX News, Tucker Carlson, covered this story.

[GEORGE SOROS – 60 MINUTE INTERVIEW](#)

This interview (13:27 minutes) has been around awhile but we wanted to play it again to refresh your memory as to who is funding much of the Radical Democrat Left Wing – and even some of the more

“moderate” Democrats in America.

If you have never seen this interview, I guarantee it will shake you to your boots.

The message that George Soros is subtly giving is – the *Ends Justify the Means*.

ALL those who take money from this International Criminal should be run out of office on November 3, 2020!

“Jackals dine with like kind.”

[SEAN PARNELL’S POLITICAL AD](#)

This has to be one of the best political ads I have seen in a long time. Take a look and see what you think. If we can get more like him, then maybe we can still save America – before it is too late.

As an added attraction (on the email), we have included a great video (very short) of a dog watching a Spanish Soccer Game. We hope it will give you a laugh. It sure did us!

We hope it send you into the weekend with a smile.

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
