A TIME FOR ACTION

For comments, suggestions or tips, please contact [Larry](#). To view [past newsletters](#) or [homepage](#).

PREFACE: We had a lengthy teleconference yesterday, and decided that we should post our Newsletters as quickly as we get good, solid information for our readers. Time is of the essence and we are nearing the 70-day mark to November 3, 2020.

We apologize if we are overloading anyone, but we feel it is necessary to get as many readers informed as we can – of the “news” that is not being widely disseminated.

As usual, we want to thank the many readers who have sent us a ton of information in the past few

days. It is certainly humbling that so many of you are helping us to accomplish our mission.

Thanks again to everyone of you!

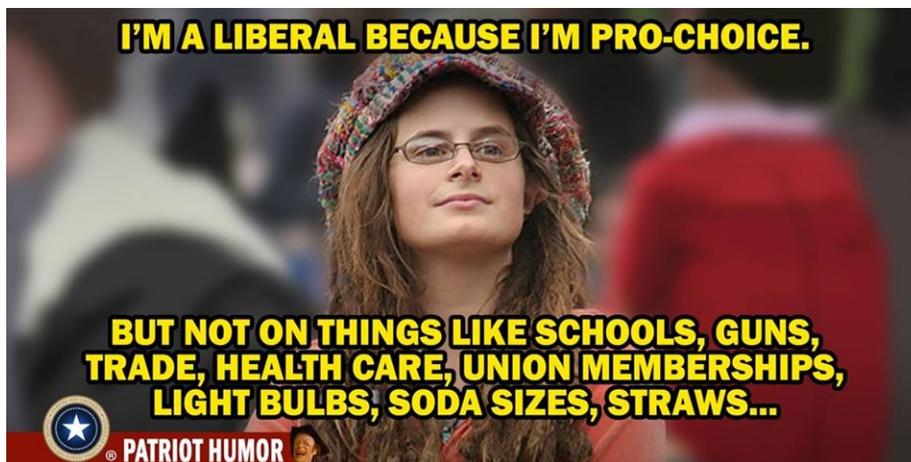

ON WITH THE SHOW!

“Give me four years to teach the children and the seed I have sown will never be uprooted.”

-- Vladimir Lenin

[STATUS QUO RULES FOR SCHOOLS](#)

In our last Newsletter we touched upon the concept of Public Education – and how controlling and brainwashing it truly is. **Please take a minute and read this article regarding parents required to sign waivers *not* to monitor their children’s virtual instruction classes.** Incredible, to say the least. And the excuse is even worse.

SHADOW GATE – BANNED VIDEO

If you have time and the inclination to see some information that you probably have never seen before, then set aside an evening and watch this video. We have some disagreements among ourselves, but ALL agreed that we must post it for your viewing – to bring our readers vital information that is being purposely deleted from *all* Main Stream Media.

We guarantee you will enjoy this presentation.

OPINION ENGINEERING – BERNAYS

We admit, this is a very *deep* video – but it is a *must* for the true thinking Sovereign Individual. It is what makes all the difference in being who you are – and what you are.

Be forewarned, this is *heavy-duty* and not for those who want everything presented within their two-minute mental framework.

Probably one of the more academic videos we have ever highlighted. Well worth watching!

HARVEST OF DESPAIR

If you have never heard of the Rape of Ukraine, then it is imperative that you take an hour of your time and watch this chilling documentary – and notice how *Group Think* works its way into the mental framework of the human mind – and its disastrous outcome.

Warning: There are pictures in this video that you might find revolting – but the truth *must* be told.

View at your own discretion and then repeat three times:

“That could never happen here!”

POSTAL SERVICE HOAX

Chaos is the ally of the tyrant – for as the masses fight among themselves – the concept of deception is nefariously at work.

They have been trying to take this video down for some time, so I hope it is still up and readily available.

Unlike the other videos on this Newsletter, it is less than 6 minutes in length.

Please listen to the whole thing. He is somewhat long-winded, but his astonishing point is made at the very end.

This scenario is guaranteed to blow your mind.

[DONALD TRUMP – THE RACIST!](#)

It is hoped that this final video will draw all the above videos into more of a complete understanding of what we are trying to present here.

Make it your lifetime commitment to think for yourself, act in your own behalf – and you will truly become a Sovereign Individual.

You will readily understand why the Mass Media wants this to be taken down – immediately.

REMEMBER, the underlying theme of the Democratic National Convention was *systemic racism* – and that Donald Trump is the personification of that vile message.

The true racism of Donald J. Trump finally revealed!

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
