POWER TO THE ELITES!

PREFACE: If you have any doubt about what is *actually* happening in the United States of America – then this issue of our Newsletter should help to clear things up.

If America does not VOTE for all Republicans – UP AND DOWN THE BALLOT – then all is lost.

Wake up America. You have less than 40 days.

NOTE: We have honestly been trying to get away from China and the Wuhan Virus – but our readers just keep sending us news articles and videos – so we feel we have an obligation to show these where appropriate. Hopefully, we do not “double-up” on news events – but things are moving at an amazingly rapid pace.

Please bear with us. Communication is key to any Wartime Effort – and believe it or not – WE ARE AT WAR!

ON WITH THE SHOW!

COVID-19 VIDEO

It seems that more and more “professionals” are finally finding their backbone – and speaking truth to power.

See what you think of this [video](#).

MASKS ARE A DETRIMENT TO YOUR HEALTH

Suddenly, more truth about masks and their injurious wearing thereof.

People are starting to get fed up with this mask hoax. Please check out this article and make up your own mind.

ANOTHER CHINA VIDEO – ABSOLUTELY HILARIOUS! BUT YET, TOTALLY TRUE!

China has gone completely *insane*. If you think you know it all about China, check this video out for some stark warnings of things to come – [TO AMERICA!](#)

CHINESE CONSULATE IN NYC SPY CENTER

The Chinese Communist Party is ultra-paranoid of losing their power grip on China – and that of the World.

It looks like America – and the World – are finally waking up to this fact.

OTTAWA - \$5000 A DAY FINE

This video should completely freak everyone out. This is what Canadian Socialism actually looks like.

We tried to locate a video that showed detention camps for people who declined to wear a facemask – but the article has been scrubbed.

If anybody has access to that video, please forward it to us and we will post it ASAP.

NOW, CANADIAN SEX THROUGH PARTITIONS!

A Canadian official site recommends using holes through partitions for sexual intercourse.

[Seriously!](#)

THAT CAN NEVER HAPPEN HERE IN AMERICA!

Oh dear friends, think again. Give a person a little power and he will exploit it to the maximum of his ability.

The following video shows precisely what happens when you are at a high school game – outside.

Listen as the “guard” argues with the *white* mother who is attending the game, without a mask.

Hear her scream, as the “guard” grabs her breasts – and then used a taser gun to subdue the woman into submission!

Listen to the comments of the person videoing the whole episode. Amazing – and this is America?

Now, you might ask, why did I say *white* woman? Because the “guard” was black.

Imagine what the Liberal Left Media would do if that were the opposite case – not to mention Black Lives Matter advocates.

I hope this woman gets a good attorney, sues the school for MILLIONS – and then retires in comfort for the rest of her life.

I will bet this gets ZERO coverage in the Main Stream Media.

That is it for now. Take care, stay safe and keep thinking positive.

Until next time, Sayonara from Kobe, Japan!
